I declare that no person named in this application is currently insured by a Texas Health Insurance Risk Pool policy. The foregoing statements and answers are full, complete, and true to the best of my knowledge and belief; and any coverage issued will be in full reliance upon this representation. I understand and agree that no coverage shall be effective until all requirements have been completed. I understand and agree to pay an application fee equal to the premium mode I have selected. This payment is only a deposit that will be returned if my application is denied or applied to any premium charges if my application is accepted. I understand and agree that the deposit of my application fee does not constitute acceptance of my application by the Texas Health Insurance Risk Pool.

I understand and agree that referring agents are not authorized to interpret, amend, or alter the terms of the Texas Health Insurance Risk Pool policy, nor are referring agents authorized to bind Texas Health Insurance Risk Pool in any way. I understand and agree that premiums charged for coverage and the coverage provided by the Texas Health Insurance Risk Pool are subject to change by the Board of Directors. **I understand that my coverage will become effective on the first of the month following approval and acceptance of the application by Texas Health Insurance Risk Pool.**

I understand that preexisting conditions of an insured person will not be covered by the Texas Health Insurance Risk Pool policy until the policy has been in force for twelve months unless the insured person is approved for a waiver of the preexisting condition limitation period because of previous creditable coverage. A preexisting condition is a disease or medical condition: for which the existence of symptoms would cause an ordinarily prudent person to seek diagnosis, care or treatment during the six months before an insured person's effective date of coverage; or for which medical advice, care or treatment was recommended or received during the six months before an insured person's effective date of coverage. Preexisting condition includes a preexisting pregnancy or a complication of a preexisting pregnancy, whether the complication occurs before or after the effective date of coverage. This information will be used to evaluate your eligibility for the Texas Health Insurance Risk Pool policy and claims for benefits. A reproduction of this authorization shall be as valid as the original.

The information you provide on this form and any attachments is private data under Texas law. The law does not require you to provide any data, but failure to do so will result in loss of eligibility for the Texas Health Insurance Risk Pool. By providing this data, you authorize the Texas Health Insurance Risk Pool and its Administrator to use and disclose the data as follows: any data you provide may be made available to the employees, agents, directors, officers of the Texas Health Insurance Risk Pool, the Administrator or legal counsel. It may also be made available to provider peer review panels or consultants, the actuarial or research organizations, or other persons authorized by law to receive such data.

I have read the above statement, and I agree to supply the data on this form with full knowledge of the information provided in that statement. If I am applying based on an agent's certification of my ineligibility for substantially similar coverage from an insurer or health maintenance organization, based on my medical condition(s), I hereby certify that the medical information provided on this application by the agent is correct and I agree that a copy of the agent's statement, SECTION I, may be furnished to the named insurer or HMO.
